Bite
Destroys or seizes illicit cash
needs surprise, short window
No real-world example
requires knowing who holds it
India 2016
aimed to bite; 99.3% returned
and lost smoothness and integrity
Shock + full scrutiny
bite and integrity, but the
highest burden on the honest
Smoothness
Low cost to honest holders
needs notice, long window
Integrity
No laundering via the exchange
needs scrutiny of every deposit
Gradual phase-out
smooth and clean, no bite
